Cupido
amour infini 2015

(infinite love)

Cupido amour infini. An extraordinary Blaufränkisch as a symbol of our infinite love of Blaufränkisch. Under its name, a Blaufränkisch from our best batches has been appearing in the great red wine years since 2000. Like humans, wine is characterized by its uniqueness. Each vintage has characteristics that make it unique. After selective hand picking in several harvest rounds, the grapes were sorted again at the winery. Only the best and most beautiful grapes are good enough. The fermentation took place spontaneously, after the pressing the wine matured traditionally in small oak barrels for 3 years, considering a long and quiet period of maturity.

2015 stands for a seductive Blaufränkisch vintage with ripe fruit character and harmony on the palate. The tannins are distinctive but fine. A wine with great potential.

Enjoy, **Silvia Heinrich**

A LA CARTE 95 points

Deep dark color, complex aromas, mix of dark and red berry aromas, black cherry, finely woven smoky and roasted aromas, strong wine, tight, close-knit structure, firm tannins, fine-grained and long finish, dark chocolate and cranberry in the finish, potential.

FALSTAFF 94 points

Inviting scent of ripe cherries with herb spices, some nougat, fine black berry jam, orange zest. Complex, integrated tannin, fruit sweetness after forest berry jam, salty, tobacco flavor, juicy reverberation, good food accompaniment, will benefit from bottle maturity.

VINARIA 4 stars

Deep fruit, noble, dark berries, also hints of blueberries, cocoa and coffee beans, some spices, calmly flowing, calm, very fine; impressive focus, combines delicacy with deep fruit, elegant tannins, precision and great length, great facilities.
